### PARTNERING WITH PRIMETIME

We are proud to announce that Neuse Neighbors Network has formed a strategic partnership with PrimeTime.

PrimeTime has long provided valuable services to Pamlico County seniors, offering transportation to/from medical appointments, nurse advocacy, and social events to enhance the wellbeing of our residents.

By partnering with PrimeTime, we strengthen our ability to serve our members.

## Memo from the President

We’re making great progress and will be ready to enroll new members later this year! But until then, we need your help to pay for essential start-up costs. Regulatory filings, insurance costs, software, volunteer vetting and training are among the expenses that are necessary in order to build a strong foundation for success.

Your donation will be recognized on our website: [www.neuseneighbors@helpfulvillage.com](mailto:www.neuseneighbors@helpfulvillage.com)

Invest in us today, and we’ll be there for you in 2019. Thank you!
